

Dear Member,

COMDANCE is very excited to announce our partnership with **Uscreen!**

What is Uscreen?

Uscreen is an all-in-one distribution and streaming platform for digital media.

What has changed?

This largely pertains to DVD files only – please read the description at point of purchase. Once you purchase and click on your DVD link on the Comdance website, you will be automatically redirected to your Uscreen account. There, you can stream the video playlist directly (from any device) or download the content directly.

How does this help me?

- You can download your product AND stream the content!
- Stream content from any device at the same time in your studios!
- COMDANCE Professional Development will also be offered via Uscreen!

What does this cost me?

Absolutely nothing! Comdance will cover the cost of your monthly subscription to Uscreen so you can enjoy the benefits cost free.

What do I need to do?

In the coming days, **Current Financial Members (who have already renewed for the 2022-2023 period)** will receive an invitation to set up their Uscreen account (so please keep an eye out in your inbox/spam/junk folders).

All you need to do is login with the username and password provided in that email and your account will be ready for use.

A quick guide is available [HERE](#) and on our Website [FAQ](#) page.

If you have any further questions, please do not hesitate to contact Head Office at admin@comdance.org

Kind Regards,

Head Office Team
